Response to item #11.

Covington & Burling LLP will review documentation provided by the foreign principal and the Colombian Ministry of Agriculture and consult with relevant United States government agencies to ascertain the current status of the U.S. Department of Agriculture's approval process for the export of Colombian crops to the United States, in light of the obligations the United States may have under the U.S.-Colombia Free Trade Agreement. The crops include hass avocados, peppers, watermelon, melon, mango and beef. Following this analysis, Covington & Burling LLP will propose specific steps that Covington would take, working with the foreign principal, to achieve the foreign principal's market access objectives.
